

STUDENT EMPLOYMENT SUMMER 2016

FIELD RESEARCH ASSISTANT

Positions Available: Field Research Assistant

Job Description: Successful candidate will work as part of ACAP Humber Arm's research team. Through employment with ACAP Humber Arm the student will gain practical, hands-on experience in a fast paced and supportive work environment. The candidate will be engaged in a diverse range of field work, being exposed to multiple research topics.

This position is based out of Corner Brook but will require travel throughout the Bay of Islands and Humber Valley regions.

Hours/Duration: 35 hours/week. Daytime business hours, Monday – Friday.

Wages: \$10.75/hour

Qualifications: This position is ideal for a high energy student who enjoys working in an outdoor setting, comfortable working in all weather conditions, in and around water, and handling marine species. The candidate must be committed to strictly adhering to safety and research protocols.

Preference will be given to those students currently enrolled in or interested in pursuing studies in science or environment studies.

Requirements: Applicants must:

- be legally entitled to work in Canada.
- have been a full time student in 2015-16 and returning to full time studies in September 2016.
- possess or be willing to complete first-aid certification prior to the first day of work.

Application Process: Resume, including 3 references, must be received by ACAP Humber Arm no later than 12:00 noon, Friday, May 13, 2016.

Only those selected for interviews will be contacted.

Submit resumes to: info@acaphumberarm.com
